Philip J. King, Lawrence E. Stager : Life in Biblical Israel (Library of Ancient Israel) before purchasing it in order to gage whether or not it would be worth my time, and all praised Life in Biblical Israel (Library of Ancient Israel):

4 of 4 people found the following review helpful. Excellent work.By Ye Shall Be As GodsAn excellent work. The writing gets a tad dense at times, but is highly informational. This work will appeal to historians and theologians alike. The illustrations add a great deal to the value of the text, a picture is worth a thousand words as they say. I still have this book on my shelves and use it to get into the mindset of ancient Israel before reading the Old Testament from time to time.3 of 3 people found the following review helpful. One of the Best Kept Secrets of ScholarshipBy Lawson

StoneNobody seriously teaching the Old Testament/Hebrew Bible should be without this book. It's the kind of book I hesitate to tell students about because then they'll know the secret source of all the cool information I share but they all deserve to have the book. Stager and King, both proven authorities in the field of archaeology, offer a vivid, detailed examination of the everyday realities of life in the Old Testament period. Lushly illustrated with photographs, the text is readable and clear without sacrificing the scholars' necessary level of maturity. This book is a model of how a vast range of technical information can be made accessible to serious students.0 of 0 people found the following review helpful. There's room on your shelf for this!By Joel C. When you're putting together a historical/contextual overview of a bible passage for small group discussion, a work such as this is invaluable. Get it- you won't regret it!

This special-edition volume of the Library of Ancient Israel, based on the latest research, presents a vivid description of the world of Ancient Israel, covering such topics as domestic life, the means of existence, cultural expression, and religious practices. With over 175 full-color pictures and illustrations, *Life in Biblical Israel* opens the door to everyday life in biblical Israel for all readers. This volume is perfect for classrooms, coffee tables, and personal use. Volumes in the Library of Ancient Israel draw on multiple disciplines--such as archaeology, anthropology, sociology, linguistics, and literary criticism--to illuminate the everyday realities and social subtleties these ancient cultures experienced. This series employs sophisticated methods resulting in original contributions that depict the reality of the people behind the Hebrew Bible and interprets these insights for a wide variety of readers.

"Overall, the book is superb, overflowing with insights into the Biblical world." -- *Biblical Archaeology*, May/June 2002
About the Author Philip J. King is Professor Emeritus of Biblical Studies at Boston College in Chestnut Hill, Massachusetts. He is a former president of the American Schools of Oriental Research, the Society of Biblical Literature, and the Catholic Biblical Association of America. Lawrence E. Stager is Dorot Professor of the Archaeology of Israel at Harvard University in Cambridge, Massachusetts.
