W.C. Jameson : Lost Mines and Buried Treasures of the Big Bend before purchasing it in order to gage whether or not it would be worth my time, and all praised Lost Mines and Buried Treasures of the Big Bend:

0 of 0 people found the following review helpful. Jameson is the best author when it comes to lost treasure!By William E. RakozyW.C. Jameson has become my favorite author when it comes to hunting for lost treasures, gold, silver and the like. Very believable and he has researched each area he writes about in great detail. If you have ever given some thought as to what it might be like to search for lost gold in the Southwest US, you will enjoy this book as well as the others he has written.0 of 0 people found the following review helpful. Great read!By T. BarberLove the

way the stories are told! I felt like I was there!0 of 0 people found the following review helpful. Five StarsBy
TWGreat book very informative

The Big Bend of Texas is at once compelling and mysterious. It has been described as a rich and varied land of history, myth and legend, danger, ghosts, rugged landscapes, aridity, remoteness, spectacular vistas, and wildlife that either bit, stung, or clawed. The Big Bend has been visited or settled by Indians, Spanish explorers, Mexicans, Anglo ranchers, outlaws of every stripe, and the United States military. Each of these cultures has left a legacy in this fascinating country, and much of has to do with the wealth associated with lost mines and buried treasures. The twenty-one tales included in this book are spellbinding accounts of some of the most exciting and mysterious lost treasures to be found in North America. They represent many millions of dollars worth of gold, silver, jewels, coin, and currency that are still searched for today.

About the Author W.C. Jameson has been a professional treasure hunter for more than five decades as well as the award-winning author of seventy books. He has served as a consultant for film and television and has appeared on the History Channel, the Discovery Channel, the Travel Channel, National Public Radio, and PBS. He lives in Llano, Texas
