Ray Edinger : Love and Ice: The Tragic Obsessions of Dr. Elisha Kent Kane, Arctic Explorer before purchasing it in order to gage whether or not it would be worth my time, and all praised Love and Ice: The Tragic Obsessions of Dr. Elisha Kent Kane, Arctic Explorer:

1 of 1 people found the following review helpful. A Great AdventureBy Barbara MossLove and Ice reads like a great

adventure. It combines well-researched biography with perilous Arctic voyages and a tender, tragic love story. Elisha Kent Kane was a much celebrated 19th century explorer who lived large. Although of delicate health he traveled the world in his youth. Kane became a U. S. Navy surgeon and although almost continuously seasick he still led two Arctic voyages in search of the lost British nobleman, Sir John Franklin, making important discoveries in still largely unknown Arctic regions. Born into a prosperous, well-connected family he fell in love with a beautiful but uneducated young woman named Margaret Fox, the founder of Spiritualism, who earned her living giving spirit rappings. This tender but ultimately tragic romance provides a poignant contrast to Kane's world- wide adventures and celebrity and may bring a tear to the romantic's eye. A great read!0 of 0 people found the following review helpful. An excellent read.By Arizona GirlMy friend Ray Edinger wrote this book and I so enjoyed it. Learned a lot about life in the arctic back in the 1800's.
