Verene Shepard : **Maharini's Misery: Narratives of a Passage from India to the Caribbean** before purchasing it in order to gage whether or not it would be worth my time, and all praised Maharini's Misery: Narratives of a Passage from India to the Caribbean:

1 of 1 people found the following review helpful. Excellent BookBy Ashal have read this book and found it brilliant the research was very detailed and the story was amazing, I would recommend this book to any one that is curious about the Indented Labourers from India.The author has written this story very unbiased and I was very impressed with the records and documents she was able to reproduce.I have never written a recommendation but felt compelled to do one for this book, in one word 'EXCELLENT'.Thanks for bringing us Maharani's and the Allanshaw's history.1 of 2 people found the following review helpful. Hope gone awryBy nbThis is an example of jumping out of the pot into the fire. Maharani hoped to escape from a life of abuse but received an even worse fate-death.

Following the abolition of slavery in the Caribbean, a concerted effort was made to replace enslaved labour with indentured Indian labour. This is the story of one Indian woman's tragic experience in trying to immigrate to the Caribbean in the 19th century.

"The study is based on a thorough use of the principal primary sources: the relevant Colonial Office documents, a number of official reports, newspapers and a range of secondary sources. The author is able to recover from the official documents the voice of the 'subaltern'; she also situates her work in the context of the discourse on the place of women in Caribbean historiography. The documentary material reproduced supplements the text admirably." - Clem Seecharan
About the Author
Verene A. Shepherd is Professor of History, University of the West Indies, Jamaica. Her major books include *Transients to Settlers: The Experience of Indians in Jamaica, 1845-1950*; *Women in Caribbean History*; *Engendering History: Caribbean Women in Historical Perspective*, edited with Bridget Brereton and Barbara Bailey; *Working Slavery, Pricing Freedom: Perspectives from the Caribbean, Africa and the African Diaspora* (ed.); *Caribbean Slavery in the Atlantic World: A Student Reader*, edited with Hilary Beckles; and *Questioning Creole: Creolisation Discourses in Caribbean Culture*, edited with Glen Richards.
