Charles Henderson : Marine Sniper: 93 Confirmed Kills before purchasing it in order to gage whether or not it would be worth my time, and all praised Marine Sniper: 93 Confirmed Kills:

0 of 0 people found the following review helpful. A Personal HistoryBy Kindle Customer This biography of a grunt

doing his best in a tragically misguided and unnecessary war involving the U.S. in a quagmire of corruption and greed. Unfortunately both American and Vietnamese governments sent thousands of young men to their deaths in a futile cause that dishonored the U.S. and ultimately destroyed the South Vietnamese government. All on the backs of young men trying to perform their duty and stay alive. 0 of 0 people found the following review helpful. Wonderful read about an obviously American marine soldier and hero. By Art Hish. Great book about a very dedicated soldier. The skills and determination of one man can make a huge impact. Anyone interested in history and the achievements of a man with a huge will to not only excel but to succeed, should thoroughly enjoy this book. 0 of 0 people found the following review helpful. It's not the Red Coats we need worry about! By Thomas Hardy. Wars are fought in a very different way than 300 years ago. It is no longer a gentlemanly way. We have to admit we are killers not just Boy Scouts marching around playing soldier. Carlos in his life experiences teaches us that War is not just fighting and dying but planning and executing. And that there is life after combat!

The explosive true story of Sergeant Carlos Hathcock, a legendary Marine sniper in the Vietnam War. There have been many Marines. There have been many marksmen. But there has only been one Sergeant Carlos Hathcock. He stalked the Viet Cong behind enemy lines on their own ground. And each time, he emerged from the jungle having done his duty. His record is one of the finest in military history, with ninety-three confirmed kills. This is the story of a simple man who endured incredible dangers and hardships for his country and his Corps. These are the missions that have made Carlos Hathcock a legend in the brotherhood of Marines. They are exciting, powerful, chilling and all true. INCLUDES PHOTOGRAPHS

About the Author Charles Henderson is a veteran of more than twenty-three years in the United States Marine Corps, with a distinguished career spanning from Vietnam to the Gulf War, after which he retired as a Chief Warrant Officer. He is the author of the critically acclaimed military classics *Marine Sniper* and *Silent Warrior*, which first chronicled the exploits of USMC sniper Carlos Hathcock. He is also the author of *Marshalling the Faithful*, *Goodnight Saigon*, *Jungle Rules*, and the fictional Jack Valentine Marine Sniper series.
