**From Brand: Johns Hopkins University Press : Maroon Societies: Rebel Slave Communities in the Americas** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Maroon Societies: Rebel Slave Communities in the Americas:

3 of 3 people found the following review helpful. Classic book that has been revised. By Melissa Barnes This book is a great source material for reference. Richard Price covers this topic pretty extensively which is awesome since there really isn't a whole lot out there on this topic. It was really useful when writing a paper on Utopian societies. 1 of 1

people found the following review helpful. Four StarsBy AmandaWhen choosing which version to buy, be aware that the digital version is based on the 1973 edition.0 of 0 people found the following review helpful. Very InformativeBy EvelynExcellent condition and VERY informative! A must have and pleasant addition to any library.

Now in its twenty-fifth anniversary edition, *Maroon Societies* is a systematic study of the communities formed by escaped slaves in the Caribbean, Latin America, and the United States. These societies ranged from small bands that survived less than a year to powerful states encompassing thousands of members and surviving for generations and even centuries. The volume includes eyewitness accounts written by escaped slaves and their pursuers, as well as modern historical and anthropological studies of the maroon experience. From the recipient of the J. I. Staley Prize in Anthropology

"A splendid anthology, skillfully edited and introduced... an excellent book." (Eugene D. Genovese)"Price breaks new ground in the study of slave resistance in his 'hemispheric' view of Maroon societies." (Journal of Ethnic Studies)" This book should be widely used in courses dealing with AfroAmerican problems. It can be added to the growing literature on slave revolts as a corrective to the commonly accepted view of slave submissiveness and apathy." (Manchester Guardian)From the Back CoverNow in its third edition, *Maroon Societies* is a systematic study of the communities formed by escaped slaves in the Carribbean, Latin America, and the United States. These societies ranged from small bands that survived less than a year to powerful states encompassing thousands of members and surviving for generations and even centuries. The volume includes eyewitness accounts written by escaped slaves and their pursuers, as well as modern historical and anthropological studies of the maroon experience. For this edition, Richard Price has written a new preface reflecting recent changes in both maroon scholarship and in the lives of contemporary maroons throughout the Americas.About the AuthorRichard Price divides his time between rural Martinique and the College of William and Mary, where he is Dittman Professor of American Studies and Professor of Anthropology and History. His many books include *First-Time*, winner of the Elsie Clews Parsons Prize of the American Folklore Society, *Stedman's Surinam* (with Sally Price), and *Alabi's World*, recipient of the American Historical Association's Albert J. Beveridge Award and the Gordon K. Lewis Memorial Award for Caribbean Scholarshipall three available as Johns Hopkins paperbacks.
