**Minneapolis Museum of Art, The Morgan Library and Museum : Martin Luther. Treasures of the Reformation: Catalogue** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Martin Luther. Treasures of the Reformation: Catalogue:

3 of 3 people found the following review helpful. Buy this book! By JRExcellent book, filled with color pictures all with clear descriptions and interpretive paragraphs. If you're planning to attend any or all of the three exhibits in the U.S., going through this book in advance of your visit to the display(s) is an ideal way to prepare. Once you've seen the extensive collection of artifacts, this book will be a great review and reminder of everything you saw. If you're not fortunate enough to be able to attend the exhibit(s) this book is the next best thing to being there. If you're interested in Luther, the Reformation more generally, or what life was like in Saxony and surrounding German territories in the first half of the sixteenth century, this book is a great resource. Even at list price it would be a tremendous deal considering the size and quality of the book. 0 of 0 people found the following review helpful. Bring a camera By melissa nelson I loved the tour at the MIA and enjoyed the book - but I do wish some of the pictures were more magnified. I forgot my

camera and the detail of some of the pictures are so small that it's hard to see the artist's intent. If you go to the exhibit do bring a camera as the close-ups would have been helpful to look at later .(The timing is such that I could have spent much more time looking at some of the items but was pushed through.)0 of 0 people found the following review helpful. Excellent and Comprehensive.By Dean LuedtkeExcellent in depth book on Martin Luther with an extraordinary amount of artifacts covered. It covers the very well what was at the Minneapolis Museum of art.

In the framework of the Here I Stand project, exhibitions will be shown in Minneapolis, New York, and Atlanta in Fall 2016. Focusing on unique exhibits from authentic places of Luther's life and the history of the Reformation, these exhibitions present a comprehensive picture of the life and work of Martin Luther, his Reformation, its cultural-historical context and lasting impact. This catalogue brings together a thematically structured description of the various exhibits, most of which are being shown abroad for the first time. Original Luther objects and autographs as well as archaeological finds from the Luther sites in Eisleben, Mansfeld, and Wittenberg illuminate the personality of the Reformer and his environment. They are supplemented by a spectacular collection of artistic and graphic masterpieces, sculptures, objets d'art and important printed works. Seen as a whole they offer a unique overview of the important cultural treasures of the birthplace of the Reformation.
