In particular, when I was reading letters that were written to the families from persons that were knowingly going to their death for their faith, it was both inspiring and

heartbreaking. All of the previous reviews have covered just about everything. It is a big volume, and a Kindle edition would be wonderful! As I get older it seems to be easier to read on the computer than to hold the book. Also you can make the fonts much larger. 8 of 8 people found the following review helpful. Amish Classic By Dr. Rob The Martyr's Mirror is a Seventeenth Century Anabaptist work, still actively read and used in Amish and Mennonite homes everywhere. Many of these stories will bring one to tears as they consider the suffering of those who gave their all for their faith. This edition contains many beautiful illustrations. I like how well bound it is, sturdy and attractive. Well worth the price for such a large volume. 0 of 0 people found the following review helpful. Horrific torture Christians endured By Amn0708 Exceptional detail in this three inch thick book: very fine, sturdy cover that appears will last hundreds of years. I showcase it next to my Bible to remain mindful of the despicable, horrific torture Christians endured during the dark ages, and to pray for those souls of the tortured, and to pray that it never happens to us or our loved ones. Amen.

Classic graphic accounts of more than 4,000 Christians who endured suffering, torture, and a martyr's death because of their simple faith in the gospel of Christ. Includes more than 50 finely detailed etchings by noted Dutch artist Jan Luyken. Songs, letters, prayers, and confessions appear with the stories of many defenseless Christians who were able to love their enemies and return good for evil. This gigantic book calls believers to follow Jesus in all areas of life, even unto death. Come what may, true Christian commitment demands supreme discipleship and steadfast adherence to the teachings modeled by Jesus and his apostles. Written and published in 1659 by a Dutch Mennonite, Thieleman J. van Braght, to strengthen the faith of his fellow believers, and translated into German in 1748 at the time of the French and Indian War for the same reason. In 1886 Martyrs Mirror was translated into English to challenge generations of Christians in North America.

Language Notes Text: English (translation) Original Language: Dutch From the Back Cover Martyrs Mirror is a record of the path of the early martyrs. The price of their own life, limbs, and blood was a gift they gladly gave to preserve what they believed to be a pure faith and the true Gospel of Jesus Christ. Tortures, persecutions, and sufferings were endured with a fortitude and heroism that is unparalleled in history.
