From Brand: Sheed Ward : Medicine, Ethics, and the Third Reich: Historical and Contemporary Issues before purchasing it in order to gauge whether or not it would be worth my time, and all praised Medicine, Ethics, and the Third Reich: Historical and Contemporary Issues:

0 of 0 people found the following review helpful. Five Stars By Perry Brickman A reminder of the unbelievable Nazi inhumanity, and the doctors who participated.

Medical experimentation on human subjects during the Third Reich raises deep moral and ethical questions. This volume features prominent voices in the field of bioethics reflecting on a wide range of topics and issues. Amid all contemporary discussions of ethical in science, many ethicists, historians, Holocaust specialists and medical professionals strongly feel that we should understand the past in order to make more enlightened ethical decisions.

About the Author John J. Michalczyk is a Professor in the Fine Arts department at Boston College.
