Avivah Gottlieb Zornberg : Moses: A Human Life (Jewish Lives) before purchasing it in order to gage whether or not it would be worth my time, and all praised Moses: A Human Life (Jewish Lives):

11 of 12 people found the following review helpful. Really enjoyed this readBy CustomerReally enjoyed this read. Though her encyclopedic knowledge of Jewish tradition and scholarship can be challenging for someone like me, a Christian minister, I found her take thoroughly insightful, and most helpful to me in my preparation for an Interfaith panel. This was my introduction to this author. I have since listened to interviews. Thoroughly impressed.1 of 1 people found the following review helpful. Grateful for Avivah Zornberg's gifted writingBy anonAvivah Zornberg is premier

writer of Biblical commentary. Friend and I have been deeply nourished by prayerful reading of all her books. We await Avivah Zornberg's commentary on Deuteronomy.0 of 0 people found the following review helpful. Aviva Gottlieb Zornberg is a great writer with deep theological insight and human experienceBy CustomerAviva Gottlieb Zornberg is a great writer with deep theological insight and human experience. All her books are worth reading and re-reading!

An unprecedented portrait of Moses's inner world and perplexing character, by a distinguished biblical scholar No figure looms larger in Jewish culture than Moses, and few have stories more enigmatic. Avivah Gottlieb Zornberg, acclaimed for her many books on Jewish thought, turns her attention to Moses in this remarkably rich, evocative book. Drawing on a broad range of sourcesliterary as well as psychoanalytic, a wealth of classical Jewish texts alongside George Eliot, W. G. Sebald, and Werner HerzogZornberg offers a vivid and original portrait of the biblical Moses. Moses's vexing personality, his uncertain origins, and his turbulent relations with his own people are acutely explored by Zornberg, who sees this story, told and retold, as crucial not only to the biblical past but also to the future of Jewish history.

"A celebrated biblical scholar, keen on weaving together traditional Jewish exegesis, psychoanalysis and postmodern criticism, Zornberg always displays minute attention to the psychological subtext of the Scriptures. . . . Bringing together copious, diverse and sometimes dissonant references (spanning Hasidic masters, George Eliot, Zizek and Beckett, among others), Zornberg gives a new tour of the life of Moses."Clemence Boulouque, New York Times Book
