Gloria Steinem : My Life on the Road before purchasing it in order to gage whether or not it would be worth my time, and all praised My Life on the Road:

224 of 236 people found the following review helpful. Lovely journey with a vanguard of modern feminismBy QuickbeamI taught women's studies for years so I am very familiar with Steinem's work and life. Even so, this book surprised me with its warmth and insight. It is not a biography but more of a road journal. It is not crafted by chronology but by memory and thought stream. I found it very engaging and moving. The opening dedication was

heart rending for those of us who lived in those years. Steinem is the half generation between me and my mother. In the late 60's as my mother was ironing we were watching TV. The women's movement was considered radical fringe, even to my mother's peers who had built planes and careers during WWII only to be sent home afterwards. My mother watched Steinem on TV and said "she is so brave". I asked why and she said "she is so beautiful she could have had an easy life. She has chosen a hard road. It will make your life better". The absurd in the 1960s is now law of the land. It is with that in mind I read this book and appreciated the context of her travels and impact. This is a fast conversation of a book, not a polemic. I loved it and I hope it finds a wide audience. 4 of 4 people found the following review helpful. should be shorter By kid spider I appreciate Gloria Steinem's dedication in promoting women's issues.. However, the meetings, "talking circles", encounters just get tedious after a while. I was fine for the first 2/3 of the book. Sorry, I didn't love it. 0 of 0 people found the following review helpful. Brilliant, thought-provoking By RC Brilliant, thought-provoking, inspiring. Steinem shares stories and history that's been twisted or erased for centuries by white male patriarchy. She shows another way through her own journey and the hundreds of stories she's collected along the way from her decades of writing, campaigning, and organizing across the country with women and men from all backgrounds. Required reading for everyone. If nothing else, this book will enlighten you to the fact that our great American democracy and constitution were influenced and preceded by that of the Iroquois Confederacy, the oldest continuous democracy in history. Ben Franklin was a fan. Try doing a Google search for 'iroquois confederacy ben franklin.'

NEW YORK TIMES BESTSELLER | ONE OF O: THE OPRAH MAGAZINES TEN FAVORITE BOOKS OF THE YEAR | NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Harpers Bazaar St. Louis Post-Dispatch Publishers Weekly Gloria Steinem writer, activist, organizer, and inspiring leader now tells a story she has never told before, a candid account of her life as a traveler, a listener, and a catalyst for change. Includes Secrets, a new chapter! When people ask me why I still have hope and energy after all these years, I always say: Because I travel. Taking to the road by which I mean letting the road take you changed who I thought I was. The road is messy in the way that real life is messy. It leads us out of denial and into reality, out of theory and into practice, out of caution and into action, out of statistics and into stories in short, out of our heads and into our hearts. Gloria Steinem had an itinerant childhood. When she was a young girl, her father would pack the family in the car every fall and drive across country searching for adventure and trying to make a living. The seeds were planted: Gloria realized that growing up didn't have to mean settling down. And so began a lifetime of travel, of activism and leadership, of listening to people whose voices and ideas would inspire change and revolution. My Life on the Road is the moving, funny, and profound story of Gloria's growth and also the growth of a revolutionary movement for equality and the story of how surprising encounters on the road shaped both. From her first experience of social activism among women in India to her work as a journalist in the 1960s; from the whirlwind of political campaigns to the founding of Ms. magazine; from the historic 1977 National Womens Conference to her travels through Indian Country a lifetime spent on the road allowed Gloria to listen and connect deeply with people, to understand that context is everything, and to become part of a movement that would change the world. In prose that is revealing and rich, Gloria reminds us that living in an open, observant, and on the road state of mind can make a difference in how we learn, what we do, and how we understand each other. Praise for My Life on the Road Like Steinem herself, [My Life on the Road] is thoughtful and astonishingly humble. It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her. O: The Oprah Magazine A lyrical meditation on restlessness and the quest for equity . . . Part of the appeal of My Life is how Steinem, with evocative, melodic prose, conveys the air of discovery and wonder she felt during so many of her journeys. . . . The lessons imparted in Life on the Road offer more than a reminiscence. They are a beacon of hope for the future. USA Today A warmly companionable look back at nearly five decades as itinerant feminist organizer and standard-bearer. If you've ever wondered what it might be like to sit down with Ms. Steinem for a casual dinner, this disarmingly intimate book gives a pretty good idea, mixing hard-won pragmatic lessons with more inspirational insights. The New York Times Steinem rocks. My Life on the Road abounds with fresh insights and is as populist as can be. The Boston Globe In person and in her writing, Steinem exudes a rare combination of calm, humility and honesty about her weaknesses that explains all she has accomplished. Jezebel

.com An Best Book of November 2015: To women of a certain age a euphemism the author of this book would surely abhor the idea that Gloria Steinem is a revolutionary thinker, a wonderful writer and a practical activist is not, perhaps, news. (But there is something joyful in the rediscovery of same.) To those who didn't know or don't remember the Steinem story founding Ms. Magazine, fighting for reproductive rights, waiting to marry until she was in her 60s! -- it might be a revelation. Long before Sheryl Sandberg leaned in at work, Steinem was preaching the gospel of empowered women by, among other things, travelling the country and the world listening to people, gathering stories and insights, offering support of the intellectual and emotional kind. From the very first page in which she dedicates her book to the British doctor who ended Steinem's pregnancy, illegally, in 1957 to the tales of a supposedly shy woman who admitted she wanted to nail their sloppy husbands tossed-anywhere underwear to the floor, Steinem

recounts a life well-travelled in every sense. Now 81, the woman who at 40 replied to a compliment about her appearance with this is what 40 looks like, Steinem can still raise consciousnesses, including her own. Sara Nelson This legendary feminist makes a compelling case for traveling as listening: a way of letting strangers stories flow, as she puts it, out of our heads and into our hearts. People Like Steinem herself, [My Life on the Road] is thoughtful and astonishingly humble. It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her. O: The Oprah Magazine [Steinems] new book is a lyrical meditation on restlessness and the quest for equity that has taken her from the women-only rail cars of India to myriad university campuses where she has helped generations of women and men rally their collective voices. . . . Part of the appeal of My Life is how Steinem, with evocative, melodic prose, conveys the air of discovery and wonder she felt during so many of her journeys. . . . Whatever ones politics, such candor draws you in. And as the country continues to struggle with painful questions about race relations, reproductive rights and the plight of immigrants, the lessons imparted in Life on the Road offer more than a reminiscence. They are a beacon of hope for the future. USA Today My Life on the Road, Ms. Steinems first book in more than twenty years, is a warmly companionable look back at nearly five decades as itinerant feminist organizer and standard-bearer. If youve ever wondered what it might be like to sit down with Ms. Steinem for a casual dinner, this disarmingly intimate book gives a pretty good idea, mixing hard-won pragmatic lessons with more inspirational insights. The New York Times Steinem beautifully illustrates how her perpetual motion has shaped her professional life. . . . [She] has gained wisdom from cabdrivers and fellow airplane passengers, and gotten story tips from strangers at rural diners and truck stops. . . . Steinems life has been so remarkable that her memoir would have been fascinating even without a central theme, but her decision to use travel as a thematic thread was a smart one. The New York Times Book (Editors Choice) Steinem rocks. My Life on the Road abounds with fresh insights and is as populist as can be. . . . Honoring its title, My Life on the Road ranges around subject-wise. One minute Steinem is writing about stewardesses on the shuttle, the next women who taught Gandhi. Now shes railing against Betty Friedan, whose focus on white middle-class feminism Steinem argues damaged the movement. Still later shes celebrating her friendships with Native American women, whom she sees as guides into the future. . . . Go, Steinemite! The Boston Globe In person and in her writing, Steinem exudes a rare combination of calm, humility and honesty about her weaknesses that explains all she has accomplished and why shes become the figurehead she has. . . . Her secret appears to be a surprising willingness to be open to learning from her incredibly varied audiences. . . . [This is] a memoir but really, its a lens through which to see a great many people, a vessel for their stories, a mouthpiece to share them. Jezebel Its amazing to have a lifelong heroine who is also one of my favorite writers. Gloria Steinem is a deeply revolutionary woman. She steered us through the contentious years of the womens movement without losing her humanity or her wonderful sense of humor. She changed America in a fundamental way without being damaged by it or losing her joy. My Life on the Road is filled with beautifully told stories of the people she has spoken with and listened to, been changed by, helped organize, got radicalized by, could get lost in, could get found in. It is soul material, human and political, funny and touching, deeply spiritual. I began it again the day after I finished. Anne Lamott Rarely do women have the opportunity to travel as Steinem has done living a life full of radical adventure. Everywhere she goes, she carries with her the vitality of democracy, of freedom for women and men, and her profound love of justice. Now she offers us the good fortune of journeying with her. My Life on the Road is an inspiring work, a call for action. Steinem shares her life as a global freedom fighter, inviting readers to continue the journey and the struggle. bell hooks My Life on the Road is a personal, beautiful look at the deceptively radical act of travel and how it formed one of our most important voices for human rights. By delving deeper into her own thrilling story, Steinem shows us that we all have a fighter inside us we need only pack our bags and follow her. Lena Dunham Countless times, I had to put Gloria Steinems new book down and allow an explosive truth she had just revealed to roll through me. And they all arrived page after page in the most personal, unexpected ways. I wont be the same person after having read My Life on the Road. Jane Fonda Gloria Steinems new book is a lightning rod to the head and heart: stimulating, no, shocking us to get up out of our easy chairs and do something meaningful with our lives to hit the road. Women will read My Life on the Road, but men must. James Patterson Gloria Steinems lightness of being combined with her complete seriousness, her love for words and her call for actions, remind us to celebrate her as one of the most important women of our time. Diane von Furstenberg From the Hardcover edition. About the Author Gloria Steinem is a writer, lecturer, editor, and feminist activist. In 1972, she co-founded Ms. magazine, and she remained one of its editors for fifteen years. In 1968, she helped found New York magazine, where she was a political columnist and wrote feature articles. Her books include the bestsellers Revolution from Within, Outrageous Acts and Everyday Rebellions, Moving Beyond Words, Marilyn: Norma Jeane, and As if Women Matter (published in India). Steinem has received the Penney-Missouri Journalism Award, the Front Page and Clarion awards, the National Magazine Award, the Womens Sports Journalism Award, the Lifetime Achievement in Journalism Award from the Society of Professional Journalists, the Society of Writers Award from the United Nations, the James Weldon Johnson Award for Journalism, and many others. In 2013, she received the Presidential Medal of Freedom from President Barack Obama. From the Hardcover edition.
