Byron Khun de Prorok : Mysterious Sahara: The Land of Gold, of Sand, and of Ruin (Historical Adventure and Exploration) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mysterious Sahara: The Land of Gold, of Sand, and of Ruin (Historical Adventure and Exploration):

In this first-rate adventure, Count de Prorok describes his 1925-28 expedition south from Algeria, across the Sahara, to the mountains of the Hoggar, his discovery of the tomb of Queen Tin Hinan, and his rather hasty examination of the temple of Jupiter Ammon, where Alexander the Great "became a god." New 2nd edition includes a new, historical introduction, notes and maps.
