Mary Rowlandson : Narrative of the Captivity and Restoration of Mrs. Mary Rowlandson before purchasing it in order to gage whether or not it would be worth my time, and all praised Narrative of the Captivity and Restoration of Mrs. Mary Rowlandson:

0 of 0 people found the following review helpful. Primary Captive AccountBy Richard C. WolfingerThe kindle edition was excellent. This is an important account of the suffering of an English captive during the King Philips war in 17th century New England. A very compelling story and well worth reading.1 of 1 people found the following review helpful. Narrative of the Captivity - a reviewBy SuzicatI have always been interested with history so to find a first hand account of an experience was a joy to me.To read how Mary felt about what she was going through and her fears enabled me to relive the experience through her words. She was amazing in the way she gained strength through the scriptures to carry her forward.This has been a reading experience I shall carry with me the rest of my life. I have gained strength from the spirituality of Mart White Rowlandson.0 of 0 people found the following review helpful. I am glad she saw no more reason to for her sakeBy Sarah M BinghamThe profoundly disturbing and culturally interesting narrative should be read by everyone. I do not hold Rowlandson's religious views, nor her views of Native Americans, but I do not blame her either. I find it shameful that she is not more well known and that she seemingly did not write anything else in her lifetime. Although, I am glad she saw no more reason to for her sake.

A fascinating first-hand account.

About the AuthorMary Rowlandson, ne White, later Mary Talcott (c. 1637 January 5, 1711) was a colonial American woman who was captured by Native Americans during King Philip's War and held for 11 weeks before being ransomed. In 1682, six years after her ordeal, Narrative of the Captivity and Restoration of Mrs. Mary Rowlandson was published.
