This makes the individual letters difficult to make out and a headache to read. I will now need to order a different copy just to read it. If I had known it was going to be a photocopy I wouldn't have ordered it. I'd return it if I could

This book was digitized and reprinted from the collections of the University of California Libraries. It was produced from digital images created through the libraries mass digitization efforts. The digital images were cleaned and prepared for printing through automated processes. Despite the cleaning process, occasional flaws may still be present that were part of the original work itself, or introduced during digitization. This book and hundreds of thousands of others can be found online in the HathiTrust Digital Library at www.hathitrust.org.
