This book was created for children to learn and understand the different Orishas. There are many pataki (stories) to different Orishas, which I felt were too mature or complex for a younger crowd. There are many books that have been published by different authors that explain a mature story to each Orishas. I wrote a book where the children can learn the colors, numbers, and have basic comprehension by illustrating pictures and writing a simple paragraph so the child can grasp the concept of each Orisha.

About the AuthorI am the second generation in my family to be fully initiated (Priest) in the Orisha tradition. My lineage does come from a group/rama called "La Pimenta". La Pimenta does originate in Matanza, Cuba. My initiation

took place in Brooklyn, New York City. My Oba was Ibae Ewing Yobi. Besides my initiation, I did attend Full Sail University as an Artist, where I have received both B.S. and M.S. in Science. I always wanted to help the Orisha community in my own way. We all have a part to play in this world and this is my destiny. The first book that I have published was Orishas The Children`s Book. I will continue to make children books as long as Olofin allows it. Please visit my website: <https://hagonzalez3.wixsite.com/orishaschildrensbook>
