This book clearly explains the miracles that occurred at a Conceptionist convent in Quito, Ecuador in the late 1700's. The messages that were given to Mother Mariana have been echoed by Our Lady at La Salette, Fatima, Akita. Still, humanity has failed to heed her warnings. Now, we are watching the wrath of God beginning its visitation upon

all of the nations of the world. This book contains the novena to Our Lady of Good Success, too. A concise, clear explanation of a long-neglected message to the world from Our Lady. I used to pooh-pooh Marian apparitions. But after learning about their content, seeing firsthand as a parish Director of Religious Education in the 1970's to 1980's the corruption infiltration of the Catholic Church by Marxists homosexuals bent on destroying her, I am now a firm believer. Everything that we are witnessing today was foretold by Our Lady many years ago. 8 of 8 people found the following review helpful. VERY INTERESTING BOOK By Ana M. It is amazing how the prophecies contained in the book have taken place in our history. We must not underestimate the messages of Our Lady of Good Success. By Anya This book has opened my love and devotion to Mama Mary as Our Lady of Good Success and for Mother Mariana Francisca DeJesus Torres-asking for her powerful intercession and has given me so much hope in the mercy of Jesus Christ.

The remarkable story of Our Lady's many appearances in the 16th century to a nun in Quito, Ecuador, Her stunning description of the 20th century crisis in the Church, and Her consoling promise of triumph. In 1599, Our Lady of Good Success appeared to a sister in Quito, Ecuador, and commanded that a statue be made of her, for she would govern the Conceptionist Convent as Abbess until the end of the world. She said: "In my right hand, place the crosier and keys to the cloister as a sign of my proprietorship and authority. In my left arm, place my Divine Child so that men will understand how powerful I am in placating the Divine Justice and in obtaining mercy and pardon for every sinner who comes to me with a contrite heart, for I am the Mother of Mercy and in me there is only goodness and love. ... Let them come to me, for I will lead them to Him." The statue was miraculously completed by the Archangels Michael, Gabriel and Raphael in the early morning of January 16, 1611. Mother Mariana had begged the Most Holy Virgin that her name be unknown. The Mother of God assured her faithful daughter that only after three centuries of mysterious silence, the truth of the apparitions would become known - in the 20th century. As Queen and Mother of a then-suffering world and Church, Our Lady promised that she would give her Good Success to those who had recourse to her under this invocation. Numerous graces and even a miraculous cure have resulted from praying to Our Lady of Good Success through the intercession of Venerable Mother Mariana de Jesus Torres. Mother Mariana de Jesus Torres (1563-1635) was a Spanish Conceptionist sister who traveled from her country to the New world to help found the Royal Convent in Quito, Ecuador. Favored with many singular gifts from heaven, this chosen soul was given to know many future events, especially the grievous situation of the Church in the 20th Century. Our Lady told her that in our lamentable times, heresies would abound, the corruption of manners and customs would be almost complete, and the light of the Faith nearly extinguished. To atone for the many profanations, blasphemies, and abuses and to hasten the day of the triumphant restoration, this 17th century sister was asked to become an expiatory victim for our times. But Our Lady promised Her intercession at the very moment "when the evil will appear triumphant and when the authority abuses my power." This would "mark the arrival of my hour, when I, in a marvelous way, will dethrone the proud and accursed Satan, trampling him under my feet and fettering him in the infernal abyss." These words harmonize perfectly with the message of hope Our Lady delivered to the three children at Fatima in 1917: "In the end, my Immaculate Heart will triumph."
