John Mack Faragher, Mari Jo Buhle, Susan H. Armitage, Daniel H. Czitrom : Out of Many: A History of the American People, Brief Edition, Volume 1 (Chapters 1-17) (6th Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Out of Many: A History of the American People, Brief Edition, Volume 1 (Chapters 1-17) (6th Edition):

2 of 2 people found the following review helpful. i dont often give digital purchases a one star. ...By DylanUSArmyRet.i dont often give digital purchases a one star. this particular one is getting one because it is simply incompatible with all forms of technology that i own. i am an individual who has sustained significant vision loss due to a combat related injury. this book is not compatible with the kindle 3g keyboard, the kindle paper white, or even my windows 10 laptop. thus the only medium in which i could read this was my Iphone 6 plus. not really an option. please either format your books to work with an actual kindle or at least patch them to work with windows 10 as they dont

even work with windows 8 yet.0 of 0 people found the following review helpful. Out of Many is an interesting series by College Textbook. It is very enlightening in some ways but the first book in the series left out most of the religious reasons why our ancestors came to America.0 of 0 people found the following review helpful. Not even a book by CustomerNot impressed at all...I ordered this book and it was not a book at all just a ton of pages that were "placed" in a binder. However, the majority of the pages are ripped so the binder holes aren't even durable to stay in the binder. Not impressed that I just wasted my money on this especially being I need to use this for my class. Oh and it did not come with any access code like it said it would.

The use of documents and images are the most compelling features of *Out of Many, TLC*. The use of these also reflects current pedagogical trends emphasizing visual learning or tools and uses of primary sources. -Jeff Crane, Sam Houston State University The book has a nice, easy-to-read narrative style that is supplemented well with images and useful extra features such as American Communities. It is a very good text. -Julie Courtwright, Texas AM University visually appealing and engaging to the students. -Robert B. Bruce, Sam Houston State University The broad-ranging, multicultural, multiethnic focus is this book's greatest strength. This is what sets it apart from most other textbooks. - Brian D. Behnken, Texas AM University The single most compelling attribute of *Out of Many, TLC* is its smooth comprehensiveness. It is thorough without being overly simplified. *Out of Many, TLC* is user-friendly and very approachable for students. -Michael K. Ward, California State University-Northridge

More than 4 million students are now using Pearson MyLab products! Here are just a few ways MyHistoryLab can help you save time and improve results: Pearson eText Just like the printed text, students can highlight and add their own notes. Students save time and improve results by having access to their book online. Gradebook Students can monitor their progress and instructors can monitor the progress of their entire class. Automated grading of quizzes and assignments helps both instructors and students save time and monitor their results throughout the course. History Bookshelf This compendium of resources includes up to 100 most commonly assigned history works like Thomas Paines Common Sense , Upton Sinclairs The Jungle , and Machiavellis The Prince . To order this book with MyHistoryLab access at no extra charge, use ISBN 9780205215799. www.myhistorylab.com

About the Author John Mack Faragher John Mack Faragher is an Arthur Unobskey professor of American history and the director of the Howard R. Lamar Center for the Study of Frontiers and Borders at Yale University. Born in Arizona and raised in southern California, he received his B.A. at the University of California, Riverside, and his Ph.D. at Yale University. He is the author of *Women and Men on the Overland Trail* (1979), *Sugar Creek: Life on the Illinois Prairie* (1986), *Daniel Boone: The Life and Legend of an American Pioneer* (1992), *The American West: A New Interpretive History* (2000) and *A Great and Noble Scheme: The Tragic Story of the Expulsion of the French Acadians from their American Homeland* (2005). Mari Jo Buhle Mari Jo Buhle is a William R. Kenan, Jr. University professor emerita of American civilization and history at Brown University specializing in American women's history. She received her B.A. from the University of Illinois, Urbana-Champaign and her Ph.D. from the University of Wisconsin, Madison. She is the author of *Women and American Socialism, 1870-1920* (1981) and *Feminism and Its Discontents: A Century of Struggle with Psychoanalysis* (1998). She is also the co-editor of the *Encyclopedia of the American Left* (second edition, 1998). Buhle held a fellowship (1991-1996) from the John D. and Catherine T. MacArthur Foundation. She is currently an honorary fellow of the history department at the University of Wisconsin, Madison. Daniel Czitrom Daniel Czitrom is a professor of history at Mount Holyoke College. Born and raised in New York City, he received his B.A. from the State University of New York at Binghamton and his M.A. and Ph.D. from the University of Wisconsin, Madison. He is the author of *Media and the American Mind: From Morse to McLuhan* (1982), which won the First Books Award of the American Historical Association and has been translated into Spanish and Chinese. He is the co-author of *Rediscovering Jacob Riis: Exposure Journalism and Photography in Turn of the Century New York* (2008). He has served as a historical consultant and been featured as an on-camera commentator for several documentary film projects, including the PBS productions *New York : A Documentary Film*, *American Photography: A Century of Images* and *The Great Transatlantic Cable*. He is currently writing *New York Exposed: How a Gilded Age Police Scandal Shocked the Nation and Launched the Progressive Era* (Oxford). Susan H. Armitage Susan H. Armitage is a professor of history and women's studies emerita at Washington State University, where she was a Claudius O. and Mary R. Johnson distinguished professor. She earned her Ph.D. from the London School of Economics and Political Science. Among her many publications on western women's history are three co-edited books, *The Women's West* (1987), *So Much To Be Done: Women on the Mining and Ranching Frontier* (1991) and *Writing the Range: Race, Class, and Culture in the Women's West* (1997). She served as editor of the feminist journal *Frontiers* from 1996 to 2002. Her most recent publication, co-edited with Laurie Mercier, is *Speaking History: Oral Histories of the American Past, 1865-Present* (2009).
