**Dayton Duncan : Out West: A Journey through Lewis and Clark's America** before purchasing it in order to gage whether or not it would be worth my time, and all praised Out West: A Journey through Lewis and Clark's America:

1 of 1 people found the following review helpful. Our Country of ChangeBy Steve, Sarasota, FLA warm and humorous story of traveling across the American West, our favorite portion of our wide and varied country. As a history buff, I enjoyed the premise of author Dayton Duncan using the trail of Lewis and Clark as his guide. He traces the many changes in geography and sociology along the 4,000 route.Written years ago, it is only tangentially dated; in

no way importantly. A pleasant read for a student of Manifest Destiny. 0 of 0 people found the following review helpful. A wonderful book By S. Benson A great read, as the author follows the Lewis and Clark trail through the west. Lots of interesting history about the original expedition and interesting stories from his own experiences along the trail. 0 of 0 people found the following review helpful. GREAT AUTHOR and BOOK! By Grannylu Great book and wonderfully insightful author.

One hundred and eighty years after Lewis and Clark's Voyage of Discovery (1804-1806), Dayton Duncan set out in a Volkswagen camper to retrace their steps. *Out West* is an account of three separate journeys: Lewis and Clark's epic adventure through uncharted wilderness; Duncan's retracing of the historic trail, now in various ways tamed, paved, and settled; and the journey of the American West in the years in between. Readers traveling with Duncan will encounter the people who inhabit today's West: farmers and ranchers, cowboys and mountain men, Native Americans, residents of dying small towns, city dwellers who have survived cycles of boom and bust. From the Gateway Arch in St. Louis to the Oregon coast, readers will be treated to a landscape as variously impressive as its people.

"A marvelous and funny book." *New York Times Book Review*
