K. C. Hanson : Palestine in the Time of Jesus: Social Structures and Social Conflicts before purchasing it in order to gauge whether or not it would be worth my time, and all praised Palestine in the Time of Jesus: Social Structures and Social Conflicts:

2 of 2 people found the following review helpful. Excellent Book! By Margarite Landry Wonderful book, a ton of information, and easy to read format. Gives a lot of useful info if you're interested in the historical situation in Palestine as it's described in the Bible and other sacred writings. It explains a lot of words and relationships that show up in the Bible as they would have been understood two thousand years ago, words and concepts which may seem meaningless or incomprehensible to us without an understanding of what the society was like when the Romans occupied Palestine. 0 of 0 people found the following review helpful. A helpful book when reading Scripture. By

providing a ...By William G. HeckA helpful book when reading Scripture. By providing a social analysis of the 1st century Palestinian culture the authors provide us with categories for analyzing our own culture and highlighting the differences and similarities between "us" and "them". The authors provide a needed corrective to our frequent assumption that the people of the New Testament thought and acted as we would think and act in a given situation.0 of 0 people found the following review helpful. Five StarsBy j loThorough look into first century Palestine! A must have for any theologian or minister

Hanson and Oakman's award-winning and illuminating volume has become a widely used and cited introduction to the social context of Jesus and the early Jesus movement. This second edition updates all the discussions in light of more recent scholarship, improves clarity and readability of diagrams and maps, provides additional diagrams and images to enhance the book for student use, and includes new classroom resources, for professors and students, on a Companion Web site. Along with an overview of the ancient Mediterranean worldview, *Palestine in the Time of Jesus* explores major domains and institutions of Roman Palestine: kinship, politics, economy, and religion.

About the AuthorK. C. Hanson has taught biblical studies at Episcopal Theological School and the School of Theology at Claremont, Creighton University, and St. Olaf College. Douglas E. Oakman is Professor of Religion and Dean at Pacific Lutheran University, Tacoma, Washington.
