Martin Buber : Paths in Utopia (Martin Buber Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Paths in Utopia (Martin Buber Library):

In this work, Buber expounds upon and defends the Zionist experiment - a federal system of communities on a co-

operative basis. He looks to the anarchists Proudhon, Kropotkin and Gustav Landauer, but selects only that part of their doctrines appropriate to his case.
