Charles Edward Banks : The Winthrop Fleet of 1630: An Account of the Vessels, the Voyage, the Passengers and Their English Homes from Original Authorities before purchasing it in order to gage whether or not it would be worth my time, and all praised The Winthrop Fleet of 1630: An Account of the Vessels, the Voyage, the Passengers and Their English Homes from Original Authorities:

5 of 5 people found the following review helpful. Not what I expected. By psh34 Book is a great resource, however I feel the cost is too high for such a small volume. The historical information leading up to the voyage was great. Wish there were more information on passengers. Great to have, just overpriced. 3 of 3 people found the following review helpful. The Story of Emigration to the American Colonies in 1630 By Chuck This book covers a little studied part of American history. It gives a snapshot of life and the great undertaking involved in the journey to the colonies in 1630. Something we as high school students never considered. An excellent resource! 0 of 0 people found the following review helpful. Five Stars By Brenda Motes Nice to see my relatives are listed in this book.

This is an authoritative list of the 700 passengers who are believed to have come to New England with John Winthrop in 1630. Based on research undertaken in England and America, it provides as much data as could be verified on each passenger--name, place of departure, places of residence in England and America, occupation, church affiliation, dates of birth, marriage, and death, and relationships to other passengers. It also has indexes of names, places, and subjects as well as appendices listing the passengers on the Mary and John and the Lyon, which sailed contemporaneously with the Winthrop Fleet.
