Delivered very promptly in excellent condition and at a good price By Bernard Sussman Delivered very promptly in excellent condition and at a good price. This 3-volume set normally sells (new paperback) at more than \$100, and is an excellent anthology and commentary on some of the

major teachings of the kabbalistic classic. 0 of 0 people found the following review helpful. Five Stars By PC Exceeded my expectations, thank you. 0 of 0 people found the following review helpful. Five Stars By EB Great research work

The Zohar is the fundamental work of Jewish mysticism. Isaiah Tishby's classic and definitive *Wisdom of the Zohar* makes the world of the Zohar available to the English-speaking reader in all its complexity and poetry. The extended extracts are arranged by topic, each section being prefaced by introductory explanations and accompanied by copious notes. There is also a General Introduction on the complex symbolism of the Zohar and on its historical and literary background. The scholarly value of David Goldstein's acclaimed translation is enhanced by an index expanded to include references to passages cited in the introduction and notes, and by the addition of a subject index and an index of biblical references.

"A classic, a landmark in modern Hebrew letters. Beautifully written and deeply learned ... the appearance of the long-awaited English translation is a cause for celebration." -- Elliot Ginsburg, *Journal of Religion*
