Church History By Timmer I haven't finished reading this book, but I know that I will. Pennock writes in an easy style that is uncomplicated and captivating. I purchased this

book as an aid to a class I had been taking. I have skipped around and found it informative. It includes a Catholic Handbook for Faith, Scripture Index, Glossary of selected terms and each chapter has a summary, reflection, review and discussion questions. 0 of 0 people found the following review helpful.
