Thomas Jefferson : Thomas Jefferson : Writings : Autobiography / Notes on the State of Virginia / Public and Private Papers / Addresses / Letters (Library of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Thomas Jefferson : Writings : Autobiography / Notes on the State of Virginia / Public and Private Papers / Addresses / Letters (Library of America):

0 of 0 people found the following review helpful. Great Value and the book was in excellent conditionBy JGL2010Great Value and the book was in excellent condition. An excellent reference Book. TJ is my fifth great Grandfather on my mother's side and I do not know enough about him except from what my grandmother has told me. I was educated in Europe and have never studied American history! I can tell you just about anything that happened in English or European history but very little about my own as I have lived most of my life overseas. I am looking forward to learning from this book. Thank you to the seller for selling at such a great price and shipping so speedily.0 of 0 people found the following review helpful. Great reference book with lots of essential Jefferson writingBy Tony H.Great reference book with lots of essential Jefferson writing. The book itself is made well with nice paper and a nice blue hard back. I think the paper jacket is hideous so I removed mine.0 of 0 people found the following review helpful. Five StarsBy S.A.Very good.

The most comprehensive one-volume selection of Jefferson ever published. Contains the "Autobiography," "Notes on the State of Virginia," public and private papers, including the original and revised drafts of the Declaration of Independence, addresses, and 287 letters.

"Writings" gives the reader a chance to assess the power of the man's pen and, by this standard, his character and mind. -- The New York TimesFrom the PublisherThe Library of America is an award-winning, nonprofit program dedicated to publishing America's best and most significant writing in handsome, enduring volumes, featuring authoritative texts. Hailed as "the most important book-publishing project in the nation's history" (Newsweek), this acclaimed series is restoring America's literary heritage in "the finest-looking, longest-lasting edition ever made" (New Republic).About the AuthorThomas Jefferson (1743-1824) was the drafter of the Declaration of Independence and the third president of the United States.Merrill D. Peterson (1921-2009) was professor of history at the University of Virginia and the author ofThomas Jefferson and the New Nation: A Biography, The Jefferson Image in the American Mind, andLincoln in American Memory.
