the following review helpful. Brilliant presentation of the recent Marian apparitions By Carl Edward Vincent M. Very well written, engaging and detailed account of many of the visits of the Holy Virgin to her children. Lovingly described, this book will inspire prayer and devotion towards Our Lady and through her, to her Son, who she always points towards. 4 of 4 people found the following review helpful. One of the best I ever read By Suzanne R. Sullivan The facts are presented without a lot of hoopla that can characterize many of these books. The information was given with a sense of confidence as if one were there. Miss Odell did a terrific job working with an awesome subject, keeping to the facts without losing the heavenly message.

"...A treasure for those who seek to find Mary's presence both in these astonishing appearances and in their daily lives." ---James Martin, S.J., author of *My Life with the Saints* For almost the lifespan of the Church, the Blessed Virgin Mary has been returning to the world she left almost twenty centuries ago. Through her miraculous appearances, she has inspired and comforted millions with her prophetic messages of hope. In its attractively redesigned and updated second edition, *Those Who Saw Her* brings readers the latest developments, updates, and Church statements on the apparitions of Mary the most famous apparitions of Guadalupe, Rue du Bac, La Salette, Lourdes, Pontmain, Knock, and Ftima, as well as the fascinating but less-known appearances at Akita, Japan; Kibeho, Rwanda; San Nicols, Argentina; and Betania, Venezuela. The book also now includes a complete chapter on the 17th-century appearance of Mary to the young Benote Rencurel at Laus, France. The Laus apparitions, approved in 2008, were the first Marian apparitions approved by the Church in the 21st century. Let Mary's prophetic messages bring comfort and hope to our life in this thorough and compelling presentation of the extraordinary visits of the Mother of God to her children around the world. "Odell's book will touch your heart....It is a book to be read and savored for its message of hope, especially in these troubling times." ---Woodeene Koenig-Bricker, author of *365 Mary: A Daily Guide to Mary's Wisdom and Comfort* We all welcome books like *Those Who Saw Her* that elucidate the apparitions of Our Lady. These apparitions have been of great devotional value. Father Theodore M. Hesburgh, C.S.C. President Emeritus, University of Notre Dame "Those Who Saw Her well illustrates the words of the Pontifical International Marian Academy on the role of Marian apparitions in the Christian Life." ---Father Thomas Thompson, S.M., Director, Marian Library, University of Dayton
