**Pearl Benisch : To Vanquish the Dragon** before purchasing it in order to gauge whether or not it would be worth my time, and all praised To Vanquish the Dragon:

0 of 0 people found the following review helpful. Five Stars By Rosenfeld Family Holocaust book. 1 of 1 people found the following review helpful. An Orthodox viewpoint of the Holocaust By Shoshana and Ofir Azran The Holocaust horrors written from the perspective of religious Jewish girls. Thought provoking and powerful. I read this years ago and every so often will come back to it. 1 of 1 people found the following review helpful. Powerful By Shelley DolThe

stories and people described in this book are inspirational, to say it lightly. Benisch spoke about God at every stage, she focused on the good of other people and looked for that good in them, even under the circumstances. Highly recommended!

The stirring memoir of the courage and strength of Beth Jacob students and the acts of kindness and heroism they performed even while caught between the jaws of the Nazi monster. In the ghettos and in the concentration camps, the fire of Torah and faith burned strong and clear in the hearts of these young martyrs and survivors.
