From True West (COR) : True Tales and Amazing Legends of the Old West: From True West Magazine before purchasing it in order to gage whether or not it would be worth my time, and all praised True Tales and Amazing Legends of the Old West: From True West Magazine:

5 of 5 people found the following review helpful. A Treat For Western History BuffsBy Steve M.This is a fascinating book, which tells the stories of many of the well-known and some lesser known figures of the old west. From Wild Bill Hickok to Alferd Packer, the reader learns the true stories of some of the individuals who helped tame the west. Each chapter is fairly short, but gives enough information to be interesting and informative. I enjoyed reading this book, and I would recommend it.0 of 0 people found the following review helpful. Great Tales from the Old WestBy T. ShieldsDon't start it late in the day or you'll be after midnight to finish...Hard to put down. Some stories sad, some very funny. Loved it.0 of 0 people found the following review helpful. Great read, excellent quality.By Mark A.Very impressed by this book. A good read of facts, maps and pictures. Although the book is paperback, it is however very

good quality with thick pages. After reading this book I signed up for their magazine.

Much has been written about the westmost of it clouded by exaggeration and fabrication. Since 1953, True West magazine has been devoted to celebrating the West's true colors, giving the men and women who settled there accurate voices, exploring every triumph and tragedy of their time and exposing every vice and virtue. True Tales and Amazing Legends of the Old West commemorates these unforgettable cowboys, Indians, and city slickers through a mix of classic histories and brand-new narratives, all illustrated with photographs many reproduced here for the first time of the people and places that gave rise to America's Western mythology. With twenty-six stories that blend fact with folklore, this collection abounds with accounts of the famous and the infamous, including Sacagawea, Wild Bill Hickok, Pancho Villa, Butch Cassidy and the Sundance Kid, Davy Crockett, and Wyatt Earp. Also here are lesser-known figures whose stories were pivotal to shaping the culture of the era, such as European conquistador Francisco Coronado, rancher Black Billy Hill, and fearless lawman Orlando Rube Robbins. Other tales recount the wide open plains, lawlessness, drama, mayhem, and promise embodied in the Old West. Whether you're a history buff, an Old West devotee, or simply someone who is fascinated by the characters of America's early years, these timeless tales and photographs epitomize the legendary spirit of what it meant to settle the West.

About the Author Founded in 1953, True West magazine reaches more than 193,000 readers every issue. It is distributed throughout the United States, Canada, and Europe and has been critically acclaimed for its accurate portrayals of Old West legends.
