Michael Rydelnik : Understanding the Arab-Israeli Conflict: What the Headlines Haven't Told You before purchasing it in order to gage whether or not it would be worth my time, and all praised Understanding the Arab-Israeli Conflict: What the Headlines Haven't Told You:

0 of 0 people found the following review helpful. Easy to follow and thoroughBy M. retersdorfEasy to follow and thorough. Highly recommend if you are trying to understand the root cause of the Palestinian conflict.0 of 0 people

found the following review helpful. the author does a good job of giving a concise explanation
By David Vaughan
While there was a lot of history covered in the book, the author does a good job of giving a concise explanation. He devotes chapters to giving the point of view of both sides of the conflict. Overall a great read.

Love this author. Lots of information.

Michael Rydelnik, professor of Jewish studies at Moody Bible Institute, goes beyond the media images for an in depth, biblically grounded look at the "crisis that never ends"--the conflict between the Israelis and the Arabs. Dr. Rydelnik explores such questions as: Will the violence ever stop? Who really has a right to the land? How did it all start...and where will it all end? This revised and updated edition includes a new chapter that looks at the events that brought the end to the Terror War in 2004, discusses the change of leadership in the Israeli government, and examines the conflict within the Palestinian government following the surprise election victory of the terrorist group Hamas.

A road map for peace in the Middle East? Maybe, but most people need a real map to help them find their way on the Arab-Israeli conflict. Questions like: Whose land? What is a settlement? Who is a terrorist? just aren't answered through the major media. This book will give you exactly what you need--the history, the facts and the biblical compass to help you find the truth about this ancient conflict, and why what happens there is of crucial importance to people everywhere!
-Janet Parshall, nationally syndicated talk show host
Like the noble sons of Issachar in the past, Michael Rydelnik understands, the times, with knowledge of what Israel should do (1 Chronicles 12:32). This is a must-read primer for anyone interested in making sense of the Arab-Israeli conflict.
-Charles H. Dyer, author, *Whats Next?*, and *Strike the Dragon*
The differing opinions concerning the Arab-Israeli conflict are often filled with more heat than light. Read this book and you will understand history and the Bible better.
-Mark L. Bailey, president, Dallas Theological Seminary
