It is above their heads to read, but we enjoy me reading and regurgitating it back to them. The video is dated, but it has great information. We paired it with the movie Patterns of Evidence-Exodus and it fits great. 0 of 0 people found the following review helpful. Excellent Reference Source By Kindle Customer I love this book. 1. It is very well-organized. I think it would be excellent for middle-school and up history teaching. 2. It has great pictures. 3. It provides an exciting interpretation of Egyptian chronology with biblical

chronology.4. It is written in a mild manner that makes it suitable for both Christians and non-Christians.0 of 0 people found the following review helpful. "THE PYRAMIDS ARE THE OLDEST MONUMENTS OF CIVILIZATION ON THE EARTH. THESE STRUCTURES AND THE RELICS THEY CONTAIN ARE THE MOST TANGIBLE PHYSICAL LINKS WITH OUR ANCIENT PAST AND PROVIDE IMPORTANT CLUES TO OUR ORIGINS." -From the Introduction  
Mummies, pyramids, and pharaohs! The culture and civilization of the ancient Egyptians have fascinated people for centuries and some have direct correlation to biblical events. Abraham, Joseph, Moses and Jesus each spent part of their lives in Egypt. In recent years, however, liberal teachers and professors have used the traditional Egyptian chronology to undermine the truth of the biblical record in Exodus. Authors David Down and John Ashton present a groundbreaking new chronology in Unwrapping the Pharaohs that shows how Egyptian Archaeology supports the biblical timeline. Go back in time as famous Egyptians such as the boy-king Tutankhamen, the female pharaoh Hatshepsut, and the beautiful Cleopatra are brought to life. Learn who the pharaoh of the Exodus was and where his pyramid is in this captivating new look at Egyptian history from a biblical worldview.
