St. George Tucker : View of the Constitution of the United States: With Selected Writings before purchasing it in order to gage whether or not it would be worth my time, and all praised View of the Constitution of the United States: With Selected Writings:

3 of 3 people found the following review helpful. A unique historical reference. By Harold E. Boucher A necessary adjunct to any library for reference on questions of intent regarding the Constitution of The United States and the Bill

of Rights.2 of 2 people found the following review helpful. Five StarsBy Deshaud WilliamsThis is absolutely an amazing guide to understand nuances of the Constitution and it's proper construction.14 of 25 people found the following review helpful. View of the Constitution of the United StatesBy William A. MinchewI like the old stuff - before anyone got a chance to highlight it up with liberal crayons or rewrite it with leftist ink.

American Founding and Constitution

About the AuthorWilson is professor of history at the University of South Carolina.
