Rebecca Moore : Voices of Christianity: A Global Introduction before purchasing it in order to gage whether or not it would be worth my time, and all praised Voices of Christianity: A Global Introduction:

0 of 0 people found the following review helpful. Good for additional study material By Lilsmile This book was required for a class I took in college. I found it to be a very interesting book that had different aspects and stuff that is not found in the bible. I cannot say I agree with all of it, but I did find it interesting to read. 0 of 0 people found the following review helpful. For class By Z. Johnson I needed this book for a class. It gives a pretty decent look at how Christianity has evolved over the years and between/within cultures. 0 of 3 people found the following review helpful. Better than expected! By Lindsay Hach Book came in great condition, even better then described. Would definitely buy from this seller again, thank you so much!

This new text combines primary source readings with extended introductions that provide historical context for understanding key thinkers and moments in the history of Christianity. Rather than offering pre-digested, abridged

"sound bites" of primary materials, the book includes important documents in their entirety; for example, all of the Gospel of Mark, all of Martin Luthers "Preface to the Letter to the Romans," and all of Martin Luther Kings sermon "Loving Your Enemies." At the same time, detailed descriptions set the stage for understanding these texts within theological, historical, and other frameworks. The primary texts themselves convey a diversity of views on various issues in the history of Christianity, while introductory questions direct students to consider opposing opinions and counter-arguments and encourage them to reflect on what previous writers had to say on similar subjects.

About the Author Rebecca Moore, Ph.D. is an associate professor in the Department of Religious Studies at San Diego State University, where she teaches courses in Christianity, New Testament, and Religion in America. She has published on the subject of Christian and Jewish Dialogue, with an emphasis on medieval biblical exegesis. She also writes and publishes in the field of new religions in America.
