The best-selling companion reader to the Give Me Liberty! family of books. *Voices of Freedom: A Documentary History* is the only reader with a thematic focus on American freedom in its many dimensions. The organization of this compact, unimimidating collection of primary source documents mirrors that of the enormously successful Give Me Liberty! family of U.S. survey texts, and has been fully updated to match the Fifth Edition. Affordable and an exceptional value when packaged with Give Me Liberty!, *Voices of Freedom* is now available for the first time in an alternative ebook format.
