John W. Dower : War Without Mercy: Race and Power in the Pacific War before purchasing it in order to gage whether or not it would be worth my time, and all praised War Without Mercy: Race and Power in the Pacific War:

WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD AN AMERICAN BOOK AWARD FINALIST

Now in paperback, *War Without Mercy* has been hailed by *The New York Times* as one of the most original and important books to be written about the war between Japan and the United States. In this monumental history, Professor John Dower reveals a hidden, explosive dimension of the Pacific War while writing what John Toland has called a landmark book . . . a powerful, moving, and evenhanded history that is sorely needed in both America and Japan. Drawing on American and Japanese songs, slogans, cartoons, propaganda films, secret reports, and a wealth of other documents of the time, Dower opens up a whole new way of looking at that bitter struggle of four and a half decades ago and its ramifications in our lives today. As Edwin O. Reischauer, former ambassador to Japan, has pointed out, this book offers a lesson that the postwar generations need most . . . with eloquence, crushing detail, and power.
