I love this bookBy JodieThis is one I had a hard time putting down, once I began reading it. I've learned so much about what the Holy Spirit is supposed to be in our lives. He's our helper. He does so much for us that we cannot even begin to understand. This teaching about the Holy Spirit has brought me much peace and understanding. I love this book!2 of 2 people found the following review helpful. Very worthwhile and sound Biblically.By CBBest book on the Holy Spirit that I have ever read. Read it many years ago and reordered to give away. Very readable, understandable and teachable in how it is presented. There is Scriptural support for every point made and the whole book is written to glorify and edify Jesus Christ which is the role of the Holy Spirit. Highly recommend it. CB

Benny Hinn's bestselling *Good Morning, Holy Spirit* introduced millions of Christians to the Holy Spirit as a personal guide and friend. Now, in the companion book *Welcome, Holy Spirit*, Hinn reveals the transforming, energizing power of the Holy Spirit as it works in Hinn's life, and tells how you, too, can experience this tremendous power, love, and grace. Pastor Benny Hinn invites us to "surrender to the wind. Like a free-spirited glider, allow the Holy Spirit to be the wind beneath your wings." Learn all that can be yours when you say, "Welcome, Holy Spirit!"
