CampbellAs a new member of the Episcopal Church I found this book a great help in understanding many aspects of the faith.I do have to say though that there were a shocking number of glaring typos, particularly near the end, in the Kindle edition.0 of 0 people found the following review helpful. Not exciting but usefulBy R. W. TaylorKind of dry but factual content is good.0 of 0 people found the following review helpful. Terrific.By TheLibrarianTerrific! Very pleased. Thank you.

The perfect book for inquirers and new members, as well as current Church members who may be unfamiliar with some of the Church's history, beliefs, and practices. This new introduction to the history, polity, spirituality, worship, and outreach of the Episcopal Church is written in an easy-to-read conversational tone, and includes study questions at the end of each chapter, making it an excellent resource for adult parish study and inquirers' classes."
