C. C. Straub : West Virginia History, the Mountain State before purchasing it in order to gage whether or not it would be worth my time, and all praised West Virginia History, the Mountain State:

West Virginia, the Mountain State is just what the title says and so interesting to read. It is a small state but filled with historic incidents. You must buy this book and for gifts. It is so interesting to read the history take it from the

author.

About the AuthorC. C. Straub has written books for around fifteen years. She was born in Manhattan, but the family moved to the country when she was around two. Later on she birthed five chilfen and ended up with twelve grandchildren, she loves dearly.
