The book "What your history books failed to tell you" delivers a powerful analysis of the so-called "black" person's identity crisis. It discusses the history of the slave marks that were placed upon the so-called "black" people in the year of 1774. It explains the importance of nationality and it's relevance to the so-called "black" people of America. This book goes in depth of why the so-called "black" person's true nationality is Moorish American. In addition to, destroying many myths pertaining to the religion of Islam, the author also gives a brief history of some sects of Islam. He also provides information on Noble Drew Ali. By Sis.
