Karen J. Torjesen : When Women Were Priests: Women's Leadership in the Early Church and the Scandal of Their Subordination in the Rise of Christianity before purchasing it in order to gage whether or not it would be

worth my time, and all praised *When Women Were Priests: Women's Leadership in the Early Church and the Scandal of Their Subordination in the Rise of Christianity*:

3 of 3 people found the following review helpful. Good to read but inconclusive. By Moe Didn't really provide much evidence to support the premise. Doesn't appear that there were actual ordained women priests. 0 of 0 people found the following review helpful. Great purchase! The book arrived on time and in ... By RR Great purchase! The book arrived on time and in excellent condition. I'm very pleased with my purchase and would do business with this seller again in the future. Thanks! 0 of 0 people found the following review helpful. Five Stars By Shari L Stephenson Great read. I am a firm believer that women can and should be church leaders!

This landmark book reveals not only that women were priests, bishops, and prophets in early Christianity, but also how and why they were then suppressed.

"In an accessible and engaging style, Torjesen details the historical evidence that women were priests, bishops, and even prophets in the early Christian church. Compelling, relevant reading."--"Ms." "A powerful work of synthesis. Torjesen is nothing short of brilliant in tracing the connection between the church's move from private to public spheres and the corresponding move to suppress women's leadership. The cumulative effect of the book's argument is to make more rationally urgent than ever the removal of this scandal."--Elizabeth A. Johnson, author of "She Who Is" "Brilliantly lays bare the historic roots of the church's prejudice against women. A powerful, revealing, insightful book."--RT. REV. John S. Spong, Bishop of Newark "Provocative in argument and engagingly written.... Bound to stimulate discussion."--Elizabeth A. Clark, co-editor, "Women and Religion" "Absolutely first rate!"--Jouette M. Bassler, associate editor, "The HarperCollins Study Bible" From the Publisher This landmark book reveals not only that women were priests, bishops, and prophets in early Christianity, but also how and why they were then suppressed. About the Author Karen Jo Torjesen, Ph.D., is the Margo L. Goldsmith Chair of Women's Studies and Religion at Claremont Graduate School in California, and an associate of the Institute for Antiquity and Christianity. She is widely regarded as a leading authority on women in ancient Christianity.
