David W. Bercot : Will the Real Heretics Please Stand Up: A New Look at Today's Evangelical Church in the Light of Early Christianity before purchasing it in order to gauge whether or not it would be worth my time, and all

praised *Will the Real Heretics Please Stand Up: A New Look at Today's Evangelical Church in the Light of Early Christianity*:

Sex and money scandals. An exploding divorce rate. Drug-addicted youths. And an ever-growing worldliness. Today's evangelical church is fighting battles on all fronts. And we seem to be losing these battles to the relentlessly encroaching world. Perhaps the answers to our problems are not in the present, but in the past. Because there was time when Christians were able to stand up to world. The author takes you on an engrossing journey back to the time - back to the end of the first century. Here is an inspiring account of what Christians believed and practiced at the close of the age of the apostles - and how the church eventually lost the Christianity of that time. But *Will The Real Heretics Please Stand Up* is not primarily a history book. It's a fresh, creative look at the problems facing the church today - and the solution to those problems. It's a call for today's church to return to the simple holiness, unfailing love, and patient cross-bearing of the early Christians.
