Love speaks of loveBy KmillerIn very simple words and phrases our Lord speaks of His love for us and how He longs for our love in return. If only a fragment of what we receive from Him.We have an awesome God and this is an awesome gift from Him to us, his beloved creatures formed in His image.Highly recommend to anyone even if not Catholic.1 of 1 people found the following review helpful. Very good message compilation I read whole thing easilyBy jackiVery good message compilation I read whole thing easily, more easily than have other ones I bought and also liked..because had just the messages of Jesus straight on, not the nuns or whoever he spoke to words like some had..although those are good as well..it just is so wordy I didn't get time to tackle those as easily to read as well..this didn't have too much going on, just the right amount so easier to remember.

Intimate revelations of Our Lord to three 20th-century mystics: Sr. Josefa Menendez, Sr. Mary of the Trinity, and Sr. Consolata Betrone on a host of subjects. Surprising revelations on how and why Our Lord acts as He does toward people. Beautiful! Impr.112 pgs, PB
