**Leland Ryken : Worldly Saints: The Puritans As They Really Were** before purchasing it in order to gage whether or not it would be worth my time, and all praised Worldly Saints: The Puritans As They Really Were:

1 of 1 people found the following review helpful. Wonderful Thought Provoking.By Raymond TougasA delightful, insightful and educational read. Clearly written by a Christian academic, this book contains an excellent bibliography at the end of each chapter for further reading on related subjects. I bought it on Kindle, but will likely buy it in paper

form, to reread, highlight and to loan. If anything, it shows how much we've forgotten as life became too easy and Christianity was (until recently) non-controversial. With the world becoming increasingly anti-Christian again, perhaps we will appreciate these people and their 'purification' movement more. 1 of 1 people found the following review helpful. Outstanding introduction to the Puritans! By TP Pearce I appreciate the even-handed way the author presents both strengths and weaknesses of the Puritans. I knew the modern stereotype wasn't accurate but I had no idea how much so. His use of a wide variety of original sources is also a strength. I found myself referring often to the book in conversation. The counter-cultural qualities of the Puritans are a good challenge for us today. Great book! 0 of 0 people found the following review helpful. This book bursts some popular myths about the Puritans. ... By Annette P. Strauch This book bursts some popular myths about the Puritans. The author presents both positive and negative aspects of their lives using quotes of what they really said and believed.

"Ryken's *Worldly Saints* offers a fine introduction to seventeenth-century Puritanism in its English and American contexts. The work is rich in quotations from Puritan worthies and is ideally suited to general readers who have not delved widely into Puritan literature. It will also be a source of information and inspiration to those who seek a clearer understanding of the Puritan roots of American Christianity." -Harry Stout, Yale University "the typical Puritans were not wild men, fierce and freaky, religious fanatics and social extremists, but sober, conscientious, and cultured citizens, persons of principle, determined and disciplined excelling in the domestic virtues, and with no obvious shortcomings save a tendency to run to words when saying anything important, whether to God or to a man. At last the record has been put straight." -J.I. Packer, Regent College "Worldly Saints provides a revealing treasury of primary and secondary evidence for understanding the Puritans, who they were, what they believed, and how they acted. This is a book of value and interest for scholars and students, clergy and laity alike." -Roland Mushat Frye, University of Pennsylvania "A very persuasive...most interesting book...stuffed with quotations from Puritan sources, almost to the point of making it a mini-anthology." -Publishers Weekly "With *Worldly Saints*, Christians of all persuasions have a tool that provides ready access to the vast treasures of Puritan thought." -Christianity Today "Ryken writes with a vigor and enthusiasm that makes delightful reading--never a dull moment." -Fides et Historia "Worldly Saints provides a valuable picture of Puritan life and values. It should be useful for general readers as well as for students of history and literature." -Christianity and Literature

'A very persuasive...most interesting book...stuffed with quotations from Puritan sources, almost to the point of making it a mini-anthology.' (Publishers Weekly) 'With *Worldly Saints*, Christians of all persuasions have a tool that provides ready access to the vast treasures of Puritan thought.' (Christianity Today) 'Ryken writes with a vigor and enthusiasm that makes delightful reading -- never a dull moment.' (Fides et Historia) "Worldly Saints" provides a valuable picture of Puritan life and values. It should be useful for the general readers as well as for students of history and literature.' (Christianity Literature) '...the typical Puritans were not wild men, fierce and freaky, religious fanatics and social extremists, but sober, conscientious, and cultured citizens, persons of principle, determined and disciplined, excelling in the domestic virtues, and with no obvious shortcomings save a tendency to run to words when saying anything important, whether to God or to man. At last the record has been put straight.' -- J.I. Packer 'Ryken's *Worldly Saints* offers a fine introduction to seventeenth-century Puritanism in its English and American contexts.
