Martin Hengel : Zealots (Investigations Into the Jewish Freedom Movement in the Perio) before purchasing it in order to gage whether or not it would be worth my time, and all praised Zealots (Investigations Into the Jewish Freedom Movement in the Perio):

1 of 1 people found the following review helpful. This book is a must for any serious scholar or ...By Real RevivalThis

book is a must for any serious scholar or Christian interested in Christianity in the first century. It is expensive, but worth every penny.

Hengel's classic work refers not only to all of Josephus' works, but also to every relevant Rabbinic tractate, Qumran text, contemporary Latin or Greek author and biblical, apocryphal or pseudepigraphical and early Christian text.

Language NotesText: English (translation) Original Language: GermanAbout the AuthorMartin Hengel is Emeritus Professor of New Testament and Ancient Judaism, University of Tbingen, Germany.
